### **Item #6**

Consent

January 18, 2005

### **2004 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM (FTIP) – AMENDMENTS #3**

**PREPARED BY:** Iván García, Programming Manager

**ISSUE:** BCAG is required to prepare and update a Federal Transportation Improvement Program (FTIP) to identify all federally funded projects. Staff is requesting approval of Amendment #3 of the 2004 FTIP to identify modifications made to the FTIP financial plan to address federal financial constraint requirements, and to identify local HBRR Bridge projects in Butte County

**ACTION REQUESTED:** Approve Amendment #3 to the 2004 Federal Transportation Improvement Program (FTIP) by Resolution No. 2004/05-07.

**DISCUSSION:** BCAG staff has made the following two modifications to the 2004 FTIP as part of Amendment #3:

1) The financial plan in the 2004 FTIP was modified to make it consistent with the 2004 State Transportation Improvement Program (STIP). This required staff to move projects or funds from one fiscal year to another to ensure consistency and financial constraint between the two programming documents. The project scope of work does not change for any project.

2) The addition of 7 local Highway Bridge Repair and Replacement (HBRR) projects and funding was identified for Butte County bridges.

Attached for the Board's information are summary sheets for Amendment #3 and the applicable Air Quality Conformity Analysis and Determination revisions.

Amendment #3 has been developed in consultation with Caltrans, FHWA, FTA, EPA, the Air District and the BCAG Transportation Advisory Committee. Amendment #3 was legally noticed and has been posted on BCAG's website for review and comment.

The purpose of this formal amendment is to program the local HBRR projects for Butte County. The following seven local bridge projects identified in the following page have been programmed in CTIPS as a lump sum category. All projects are exempt from a regional conformity analysis per EPA's Table's 2 & 3 indicating that safety projects that are non capacity increasing or bridge reconstruction are exempt. A public notice has been issued. The BCAG Board of Directors is scheduled to adopt this amendment on January 27, 2004.

## Public Notice

The Butte County Association of Governments (BCAG) is designated by the U.S. Department of Transportation (DOT) and the U.S. Environmental Protection Agency (EPA) as the Metropolitan Planning Organization (MPO) for Butte County and its incorporated cities. As the MPO, BCAG is required to prepare a Federal Transportation Improvement program (FTIP) every two years in accordance with Section 450.324 of the Federal Metropolitan Planning Rules. The purpose of the FTIP is to identify all transportation-related projects that require federal funding or other approval by the Federal Highway Administration (FHWA) or the Federal Transit Administration (FTA). The FTIP also identifies all non-federal, regionally significant projects for information and air quality emissions modeling purposes. The FTIP indicates the area's short-term plan for use of federal dollars and other resources for the maintenance, operation, and improvement of the transportation system and the achievement of federal air quality standards over the next three federal fiscal years.

The public is invited to review and comment on two separate Amendments:

1. FTIP Amendment #3. The purpose of Amendment #3 is to align the 2004 FTIP to the adopted 2004 State Transportation Improvement Program (STIP). Details involve the potential moving of projects or funds from one fiscal year to another as required to ensure consistency and financial constraint between the programming documents. The project scope of work does not change for any project.
2. FTIP Amendment #4. The purpose of Amendment #4 is to program Highway Bridge Repair and Replacement (HBRR) funds for 7 local Butte County bridges.

Specific project programming data is available for review at the BCAG offices and posted at BCAG's website at [www.bcag.org](http://www.bcag.org).

The BCAG Board of Directors is scheduled to approve this amendment at their regular Board meeting on Thursday January 27, 2004 at 9:00 a.m. at the City of Chico Council Chambers. Comments and questions can be directed to Mr. Iván García, Programming Manager for the Butte County Association of Governments at 965 Fir Street, Chico CA 95928. Comments may also be phoned in at 530-879-2468, or by e-mail at [igarcia@bcag.org](mailto:igarcia@bcag.org)
